FREE ELECTIVES (30-35)	

* **PREREQUISITES:** Consult with your advisor and/or the University catalog regarding prerequisites for upper division MAT/STA courses in core major as well as courses marked with *.

^o If STA 270L is taken or if the BIO courses are taken for Domain Knowledge Courses, free elective may vary.

Upper division courses: All students are required to have a minimum of 42 hrs. upper division (300 level or above) courses distributed throughout Major/Supporting/Gen Ed/Free Electives categories. If 300 level classes are taken for Gen. Ed., they can be used to fulfill the 42 hours instead of upper division free electives.

Refer to the University Catalog at <http://www.catalogs.eku.edu/> regarding University and General Education Requirements. All baccalaureate degree seeking students who enter the University are required to successfully complete one writing intensive course following completion of the ENG 102, ENG 105, or HON 102/103. Writing intensive courses are designated with the suffix "W" following the course prefix and number (e.g. HUM 300W).

Applied Critical & Creative Thinking (ACCT) Requirement: Statistics majors will fulfill ACCT with STA 498. (Credit hours are incorporated into program requirements).

^o Denotes that 3 credit hours from this course are/can be applied to fulfill a Gen. Ed. requirement if a lower level MAT class is not taken prior to MAT 234.
